## IMPORTANT GOVERNMENT ORDERS.

### CHIEF SECRETARIAT.

#### Study Leave to Officers.

ORDER No. 635-85—C. B. 59-24-1, DATED 10TH SEPTEMBER 1924.

The higher officers of Scientific and Technical Departments require opportunities for the study of the latest developments in the subjects in which they have specialised, in countries where there are facilities for such study. The members of the superior staff of the General Department have to study problems of administration under Governments which have made much progress in the solution of such problems. Government consider it, therefore, desirable to offer inducements to officers of all departments for encouraging them to undertake tours for purposes of study in or outside India.

2. The following rules are accordingly sanctioned to be in force for a period of three years, in the first instance, commencing from 1925-26:—

(1) Officers who have not less than eight years service and who are not within three years of the date on which they attain the age of superannuation will be eligible for the benefit of these rules.

(2) An officer who proposes to pursue a course of study will be allowed privilege leave and furlough on full average salary which is at his credit.

(3) The period of furlough on full average salary or combined privilege leave and furlough on full average salary shall not ordinarily exceed eight months. In special cases in which a longer period is necessary, an extension up to one year will be allowed, the excess over the period of leave to the officer's credit being treated as anticipatory furlough on full average salary.

(4) Single passage and railway fare from the officer's headquarters to the place of his study, and back to his headquarters, will be allowed. First class rates will be given to officers on pay of Rs. 800 and above, and second class rates, to others.

(5) Tuition and examination fees will be allowed.

(6) The courses of study which an officer proposes to take require to be approved by Government.

(7) Progress reports of study should be submitted to the Head of the Department at intervals fixed by him.

(8) On his return from leave, an officer should submit a report on the studies pursued by him and the suggestions he would make for improving the work of his department.

(9) Applications for availing of the benefit of these rules in any year should be submitted in the month of December preceding that year.

(10) The number of applications which can be sanctioned under these rules will be limited by the amount provided for the purpose in the budget of each year.

## Facilities to the Representatives of Newspapers.

READ—

Para 9 (V) of Government Order No. O. 3071-9—Cash. 95-21-1, dated 26th June 1922 stating that accredited representatives of newspapers of recognised standing will be given residential facilities during the Birthday and Dasara Celebrations in a Press Camp at Mysore.

ORDER No. G. 1985-2025—G. M. 61-24-1, DATED THE 15TH SEPTEMBER 1924.

As the demand for residential and other facilities at Mysore for the Birthday and Dasara is steadily increasing, Government consider it necessary to issue the following instructions in the matter.

(1) Admission to the Press Gallery will be given to representatives of all papers bearing credentials from the Editors or Managers, to the extent to which there is room available, preference being given to representatives of papers on the Government Exchange List.

(2) As regards the number of Railway Passes and the provision of residential facilities at Mysore which are limited, Government having regard to the fact that several papers published in the State are published from Mysore City and that the more important papers published outside have their representatives at that place consider that it will be sufficient to provide these facilities to representatives of 12 papers, of which six may be papers published outside the State.

(3) Applications on behalf of papers for Railway Passes and residential facilities to their representatives during the ensuing Dasara should be made so as to reach the Chief Secretary to Government not later than the 30th instant.
